**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and a small business owner, and I support broadband competition. In fact, my business depends on it.

I chose a competitive provider (Sonic) because they offered fiber-optic connectivitythe speed is not just 2 or 3 or 10 times faster than what I was getting from AT&T but literally 150 times faster, at a lower cost and with better customer service.

Please don't take this option away from me.

Thank you.
